DATED NAINI TAL, THE 18TH SEPTEMBER, 1888.

SIR,

I HAVE the honor to submit for the information of His Honor the Lieutenant-Governor, North-Western Provinces, and Chief Commissioner, Oudh, the Annual Report on Civil Litigation to which the Government was a party for the year ending September 30th, 1887.

The delay in submission has been very great, but it has been due to three causes: first, the confusion caused by the fire at the Secretariat; secondly, delay in receipt of several of the returns, and chiefly to the great difficulty the small clerical staff at my disposal experience in coping with the yearly increasing miscellaneous work which devolves upon this office.

*Appendix A.I.—Return of Civil suits to which the State was a party in Courts of first instance.*—The total number of suits which stood for hearing before the Courts of first instance during the year was 84. In 36 of these the Secretary of State was arrayed as plaintiff, in 48 he was sued as defendant. Litigation has slightly increased from 55 suits in the year 1883-84, through totals of 63 and 75 in the intervening years, to 84 suits in the year under review.

Of the 36 claims which it was thought expedient for the Government to prosecute, 14 are still pending and may be dismissed without further comment. The value of the remaining 22 amounted to Rs. 33,196-10-8. Two of these claims were withdrawn, a small claim of Rs. 37-8-0 was compromised by the defendant, and of the remainder 18 were successful and in only one was the Government claim rejected by the Court.

Nineteen out of the 48 claims brought against the Government are still awaiting decision. Two were withdrawn, two were considered just and compromised, and of the remaining 25 four only decreed against the State. The amount sought to be recovered in these claims was Rs. 55,708; the amount actually recovered from the Courts amounted to Rs. 1,439 only, or little over 2 per cent.

The five cases decided against the State were:—

1. Secretary of State *v.* Madari Lal (Allahabad).
2. Shankar Das *v.* Secretary of State (Muttra).
3. Dasu Ram *v.* Ahmad Shah (Farukhabad).
4. Ujji Lal *v.* Secretary of State ( ditto ).
5. Sarapsukh Rai *v.* Secretary of State (Gorakhpur).

The first from a financial point of view is the most important. The claim is for money due (Rs. 26,738) from Madari Lal, who was lessee of ferries over the Ganges at Allahabad. The Court held it had no jurisdiction to entertain the claim. This decision was quite unexpected and the judgment is in many ways a curious one. It has been carried in appeal to the High Court. I am of opinion, and the opinion is shared by Counsel, that the decision will be reversed.

The second is a claim to establish a right to certain land which the Collector of Muttra had leased out to a third party on the supposition that it was nazúl land lying waste and abandoned. The value of the land was placed at Rs. 70. There was considerable conflict of evidence as to whether the land was really waste and abandoned when the second lease was given. The Court pronounced in favour of Shankar Das, and the claim being small and the evidence for Government doubtful, no appeal was preferred.

The third is not really a Government case. The claim is based upon what the plaintiff alleged to be an illegal arrest by an Inspector of Police. The Inspector's action was reported to be, and appears to have been, perfectly legal. The Government therefore instructed the Government Pleader to appear for the Inspector. The case when lost was carried into appeal. Counsel were retained, but the Judge pronounced decision without hearing Counsel and on a date of which due notice was not given to Government; a second appeal has accordingly been preferred to the High Court and is still pending.

The fourth is a claim to recover the price of certain bales of cotton which plaintiff averred were lost in transit on the Cawnpore and Achnera Railway. The plaintiff asked for Rs. 127-10-0, but recovered only Rs. 7.

The last was a claim for a small corner patch of land situate in the Gorakhpur jungles and valued at Rs. 16-8-0. The suit was defended, as the Survey maps laid down the boundary so as to include this corner within the area of a reserved forest. The Court considered the plaintiff's evidence sufficient to prove continuous and adverse possession, and the case was clearly not worth further contest.

*Appendix A. II.—Civil suits to which the State was a party and which were pending before or finally decided by District Courts of appeal between October the 1st, 1886 and September the 30th, 1887.*—The State had five cases in appeal before the District Courts and lost one of the five. Two others which had been filed without sanction were withdrawn and two are still pending. Fourteen appeals were lodged against the State: one was withdrawn by the appellant, two were lost, six decided in favour of the Secretary of State, and five are pending. The amount at stake in these nine appeals amounted to Rs. 94,062, but only Rs. 2,908 (or ·9) was recovered from the State.

The appeals lost were:—

(1) Secretary of State *v.* Musammat Nadhna (Gorakhpur).
(2) Behari Lal *v.* Secretary of State (Meerut).
(3) Ahmad Shah *v.* Dasu Ram (Farukhabad).

The first was for a piece of land in the Gorakhpur district valued at Rs. 31-10-8. The Survey maps here also placed the land within the area of a reserved forest, but the decision of the Court was against the Survey.

The second was a suit for land within the cantonment of Meerut. This suit was conducted by the Military authorities against the advice and without the sanction of this Department.

The third is the case already noticed above.

*Appendix III.—Suits to which the State was a party and which were pending before or finally decided by the Privy Council, High Court, North-Western Provinces, and Judicial Commissioner, Oudh, between October the 1st,* 1886 *and September the 30th,* 1887.—Only three cases in all went to the Court of highest appeal : two were taken there against the Secretary of State and the third is the appeal in the police case Dasu Ram v. Ahmad Shah. Of the two former one was withdrawn by the appellant himself and the second is still pending.

The advantage is clearly shown in these two last returns of having cases carefully prepared and elaborately contested in the Court of first instance. The Government has fewer appeals to bring and fewer to answer to before the higher tribunals, a procedure resulting in considerable saving both of time and expense.

*Appendix A.IV. shows what portion of the amount decreed in favour of the State was realized or remitted during the year* 1886-87 *and also the sums outstanding on the 1st of October,* 1887. For the first time for years past has the recovery of sums decreed been at all satisfactory. This has been a constant source of anxiety in connection with civil litigation, for it seems of little or no use to prosecute suits and spend time and trouble in recovering an infinitesimal portion of the amount claimed—hardly sufficient to defray the cost expended.

In 1883-84 the recoveries were 9 per cent. ; in 1884-85 they were 6½ ; in 1885-86 they were 6 per cent. In Bengal they have varied between 2 per cent. and 8 per cent. : so that it is no small satisfaction to find that out of Rs. 1,50,587 due Rs. 46,400, or 30 per cent., have this year been realized. This is mainly due to a large sum recovered in Lucknow ; but even omitting this extraordinary item, the recoveries amount to 21 per cent. of the sums due. The sums which it has been found necessary to remit are very small and amount only to Rs. 94. Allahabad still appears as the district in which the recoveries are far below the average.

*Appendix V. shows the amount expended in litigation as contrasted with sums actually realized by the State under decrees of Courts between 1st October,* 1886 *and 30th September,* 1887. The sums received during the year amounted to Rs. 36,574, the expenditure to Rs. 5,815. This year is probably the first in which the recoveries have exceeded the sums spent in litigation.

## MUNICIPALITIES.

The Municipal Boards were involved in 33 cases in the lower Courts : 21 of these were decided and five lost. The claims made by the Boards and decided amounted to Rs. 744, and they recovered Rs. 743, losing only one petty claim in Benares. The claims made against them amounted to Rs. 1,081, and of this only Rs. 245 were recovered.

The Muttra and Farukhabad Boards carried each one case into the District Courts and the appeal from Muttra was lost ; the Farukhabad case is still pending. Two appeals in value amounting to Rs. 411 against the Boards were heard and decided and one amounting to Rs. 401 lost. This last suit was taken into the High Court and has since been decided in favour of the Board concerned.

There were four cases in appeal before the High Court. One amounting in value to Rs. 45 was lost and a second in value Rs. 40 gained. The remaining two are pending.

The recoveries of sums decreed are good here also. Out of Rs. 2,893 due Rs. 2,403, or 83 per cent., have been recovered. The Fyzabad Municipal Board has

remitted as irrecoverable Rs. 10-0-6. The receipts have been Rs. 2,414 as against Rs. 781 expended or lost in litigation.

## COURT OF WARDS.

The cases brought by the Court of Wards were 307 ; of these 223 cases aggregating in value Rs. 77,588 were heard and decided. Rs. 64,360 were decreed in favour of the wards concerned and only 15 cases, value Rs. 13,228, lost.

Seventy-six cases were laid against the Court: 50 were decided and out of Rs. 6,57,961, Rs. 33,433, or 5 08 per cent, decreed.

Fifty-seven cases went into the District Courts, the Court of Wards taking 20. Out of these 20, 13, in value amounting to Rs. 13,714 were decided ; Rs. 12,884 were recovered by the Court of Wards and four cases only lost.

Of the 37 against the Court of Wards 28 were heard. The amount at stake was Rs. 6,01,300, and of this Rs. 5,95,615 recovered in nine cases ; 18 cases were decided in favour of the Courts. The greater part of the amount recovered, *viz*, Rs. 5,89,400 was recovered in suit lodged before the estate concerned came under the Court of Wards. Probably the suits would never have been contested if otherwise.

The North-Western Provinces Court of Wards took one small case of Rs. 25 before the High Court, and to six others they were cited as respondents. Four of these are pending, the other two were decided in favor of the Court.

In Oudh there was only one case, value Rs. 300, before the Judicial Commissioner. This was decided against the Kaimohra estate.

The recoveries under Court of Wards are also better : they amount to 45 per cent. of the whole sum due. The sums remitted was Rs. 1,233, a smaller proportion than usual of the amounts standing to be recovered.

The total sum recovered was Rs. 46,450 ; the amount expended in litigation was only Rs. 18,094.

## APPENDIX D.

The work of the year thus amounted to 597 suits ; of these 190 are pending, 24 were compromised or withdrawn, and of the 383 decided 53, or 13 per cent. only, lost.

## APPENDIX E.

There is a slight improvement in realizing Government sums due in pauper suits : out of a total of Rs. 47,349 Rs. 11,679 have been recovered and Rs. 9,722 remitted.

The recoveries in past years have been as follows; in 1883-84, 17 per cent ; in 1884-85, 20 per cent ; in 1885-86, 23 per cent., and this year they slightly exceed 24 per cent.

The remissions during the last three years have decreased from 31 per cent. to 24 per cent. This year only 20 per cent. had to be written off.

I have the honor to be,

SIR,

Your most obedient servant,

G. E. KNOX,

*North-Western Provinces and Oudh.*

# ORDERS OF GOVERNMENT.

No. $\frac{836}{\text{VII—118B}}$ of 1888.

From

THE SECRETARY TO GOVERNMENT,

N.-W. PROVINCES AND OUDH,

To

THE LEGAL REMEMBRANCER,

N.-W. PROVINCES AND OUDH.

DATED ALLAHABAD, THE 10TH NOVEMBER, 1888.

SIR,

JUDICIAL DEPT. (CIVIL).

I AM directed to acknowledge the receipt of your No. $\frac{4802}{\text{F.—568}}$, dated 18th September, 1888, being your Annual Report for the year ending 30th September 1887. The report, which was due in January last, was received in the Secretariat on October 2nd, that is, after the interval of a full year since the close of the year to which it relates. The fire at the Secretariat in November last partly caused the delay; but you name as the principal retarding cause the insufficiency of your office establishment. This should form the subject of a separate communication to Government, if necessary. Even if a case for an increased establishment be not made out, it would be much preferable to employ some temporary assistance rather than again receive the report eight and a half months late. It is absolutely necessary to the proper control of business that the head of an office should prevent such extraordinary delay, and His Honor the Lieutenant-Governor expects you to make the necessary provision against its recurrence. Another year has more than passed since the close of the term now under review.

2. There was an increase in the number of suits before the courts of first instance in which the State was a party from 75 in 1885-86 to 84 in 1886-87. Of 36 such cases in which Government was plaintiff, 18 were decided in its favour, one suit was lost, two were withdrawn, and one the defendant compromised. The amount decreed was Rs. 4,451; but Appendix A shows that the 14 suits which remained undecided aggregated the large value of Rs. 1,56,544: there being two pending suits by Government, in Dehra Dún and Meerut, which were laid at Rs. 56,267 and Rs, 95,700 respectively. Of 48 original cases in which the State was defendant, 21 were decided in its favour, four were decided against it, two were compromised, two withdrawn, and 19 remained pending. Of Rs. 55,708 which plaintiffs in the cases decided had claimed, only Rs. 1,439 were awarded to them. The most important case lost was a claim by Government for Rs. 26,738 against a lessee of ferries at Allahabad; this was dismissed for want of jurisdiction, but the decision is under appeal. You explain that the suit for Rs. 1,500, lost in the Farukhabad District Judge's court, is also under appeal to the High Court. There was practically no litigation before the High

Court, the Judicial Commissioner, and the Privy Council during the year: a fact which you, with probability, attribute to the care with which cases are prepared for the courts of first instance; one small case only, from Farukhabad, was decided in favour of the State, respondent.

3. One of the most satisfactory features in the report is the great improvement in the realization of sums decreed to Government. Of a total amount of Rs. 63,304, including the balances of previous years, Rs. 36,574, or more than 57 per cent., was realized. The figures in your text appear to have been quoted by mistake from the Court of Wards' returns, where the results, though not so good as in the case of sums due to the State, were still satisfactory. The realizations in the case both of State and of Court of Wards' debts in Oudh were much better than in the North-Western Provinces: having been 79 per cent. and 50 per cent. respectively in the first Province, as compared with 20 per cent. and 21 per cent. in the second. Efforts should be made to collect the large sums reported to be recoverable, which are outstanding in Saháranpur, Etah, and Allahabad. It was remarked last year that the expenditure in any particular year cannot usefully be compared with the sums received in the same period. In this year's report you give no opportunity for making the comparison. The expenditure in 1886-87 is said to have been Rs. 5,815; but it seems doubtful whether the figures of disbursements in Statement A-V are reliable. The figures in the first column under Disbursements tally with those in the succeeding columns in a way which is unintelligible, except on the supposition that many compiling officers have taken the first column as meant for the total: after which your office seems to have added the three columns together over again. The corresponding municipal statement (Appendix B-V) shows the same features; but the Court of Wards' statement (Appendix C-V) does not. The entries in the column for receipts (Rs. 4,060-3-4 for the North-Western Provinces, and Rs. 32,514-9-7 for Oudh) are equally unintelligible. I am to request that you will have statements A-V and B-V carefully examined, and that you will submit for the information of Government either revised statements or a clear explanation of the figures shown in your report.

4. Municipal Boards gained 16 cases and lost five in 1886-87 in courts of first instance. Practically the whole of the municipal claims were decreed. Rupees 245 (out of Rs. 1,081 claimed) were decreed against municipalities; but this is of course not to the same extent under your control. The municipal cases heard in district and superior courts of appeal were few and trifling. The realization of sums due to municipalities was very good, amounting to 83 per cent.

5. The Courts of Wards' litigation was of much greater importance; but being under the control and management of the courts, it is briefly noticed in your report. In courts of first instance in the North-Western Provinces the Court of Wards gained 110, lost four, and withdrew two plaints. As defendant it gained seven cases and lost two: one was compromised and one withdrawn. Both these last were claims

against the Mashuk Mahal's Estate in Bareilly, and they aggregated Rs. 5,90,356. In a subsequent statement for district courts of appeal (C-II) two suits, with an aggregate value of Rs. 5,89,490, are shown as having been decreed against the same estate. The apparent discrepancy deserved an explanation. If the cases are the same, it is not clear how claims which had been compromised or withdrawn in the courts of first instance came to be decreed in appeal. The only other important case lost was a suit against the Bansgaon Estate, in Gorakhpur, for Rs. 28,852. In Oudh, in the lower courts, the estates brought 94 and defended 27 cases successfully: the numbers lost being 11 and 7. A claim for four lakhs against the Mahona Estate, in Sultanpur, remained pending. It would seem doubtful if the column of "Amount decreed" is always uniformly filled in in these statements: thus two claims against the Bhadayan Estate were dismissed, and the amount decreed is *nil*, while two claims against the Bargaon Estate were dismissed, and the amount shown as decreed is Rs. 1,036, being the whole sum in dispute. In the only cases of any importance which were decided by the superior courts of appeal, the decisions were in favour of the State. The Arjunpur (Mainpuri) and Partabchand (Allahabad) Estates show badly in respect of realizations; and it is observed that against the Suraj Nath Estate (Moradabad) and Sarosa Estate (Sitapur) considerable sums are shown as irrecoverable, which were decreed during the year of report. The total realizations in Court of Wards' litigation were fair; but it is not clear from what figures the proportion of 45 per cent. of the total amount due, given by you, has been worked out. The total due on account of principal, interest, and costs in the North-Western Provinces and Oudh is shown in Appendix C-IV as Rs. 1,50,587: and the total realizations under the three heads as Rs. 46,498, or some 30 per cent. Rupees 58,020 of the total balance were considered to be recoverable.

6. The total work of the year consisted of 597 suits, of which 383 were decided and 53 only were lost; in the preceding year the number of suits was 489, and 59 were lost. I am to acknowledge on behalf of Government your care and success in conducting the increasing duties of the Legal Remembrancership. It is to be greatly regretted that such extravagant delay should have occurred in the preparation of your report, and that it should contain, as has been pointed out in the course of this review, much that is unintelligible without explanations, which the lateness of its submission makes it undesirable to await.

I have the honor to be,

SIR,

Your most obedient servant,

W. C. BENETT,

*Secy. to Govt., N.-W. P. and Oudh.*
